14<sup>th</sup> July 2017

This has been such a busy summer term, with many sporting events, both in and out of school, exciting trips for all, an art project and lots of hard work, learning and fun. As we approach the end of the year, we can all reflect on how far your children have progressed since September. We are immensely proud of them all and would like to take this opportunity to thank you for all your support. I would also like to thank all of our staff – we have an amazing team here at All Saints' and they work so hard to create and maintain an inspiring curriculum, learning environment and atmosphere for your children. We'd like to wish the very best of luck to all of our Year 6 children as they move on to the next stage of life – remember that we always like to see or hear how you are getting on! To those families also leaving us, we wish you every happiness in the future. Finally, to all of you, we hope you have a wonderful summer holiday and we look forward to welcoming you back in September.

## SATs success!

We are very proud of our Year 6 children; they have worked really hard this year and certainly deserve the successful outcomes achieved. A big thank you to all of the parents - we are grateful for all the support and encouragement you've given your children. We are delighted that with all of the focus and hard work in school on raising attainment in Maths, we have now achieved above the National average.

ARE = % of children reaching Age Related Expectations.

Scaled score – a scaled score of 100 or above signifies that a child has reached Age Related Expectations.

	School %ARE	National ARE	School Average Scaled score	National average scaled score
Reading	69%	71%	104	104
GPAS	87%	73%	106	106
Writing	82%	76%	N.A.	
Maths	79%	75%	102	104

## Sports Day

Wednesday 5th July was All Saints' Annual Sports Day. It was a glorious day all round, with children involved in a wide variety of activities. In the morning, they took part in a Round Robin which involved the children competing in obstacle races, dribbling footballs and hockey balls around cones, jumping and throwing as far as they could and generally having a great time!

The afternoon saw the more traditional sports day races with all children competing in the sprinting, egg and spoon and obstacle relay. The sun was out, making the shared picnic at lunch that much nicer, with parents enjoying time with their children out on the field.

Well done to Blue House who were the overall winners on the day !

## Sport Events

This term All Saints' have been involved in numerous sporting events including Tennis, Archery, Athletics, Tag Rugby and Rounders. We are so proud of everyone that has been involved, they have performed brilliantly and been a credit to the school.

All Saints won the Level 3 Inclusive tennis at University of Warwick ,won the Archery competition at Milverton School and won the tag rugby tournament at Leamington Rugby Club. We participated in rounders and athletics competitions with 2 children competing at the Area sports at Edmondscote. Faith from Year 5 came first in the throwing, Esme in Year 3 came second and Tyler from year 6 came second in the 800m.

A fantastic month of sporting achievement, well done All Saints'.

With all the sporting activities going on in school and in competitive activities out of school, we have applied for Sports Active Mark status. We will notify you as soon as we hear if we've been successful.

## Maths Challenge

On Friday 7<sup>th</sup> July four of our Year 5 students went to the Maths Challenge morning at Myton School.

The morning involved them working on their own, in pairs and as a whole team to complete a wide range of different logic and maths problems.

The children performed brilliantly scoring full marks in one challenge and scoring really highly in others. We were really proud of how they worked together and extremely pleased that they came first out of all the teams that attended.

**Den Day** - We raised £175.50 for Save the Children, it was a fun day enjoyed by all. Thank you to everyone who contributed.

## Warwickshire Junior Book Award

Some of our Year 5 children have been taking part in the Warwickshire Junior Book award. They have read the four short-listed titles and voted for their favourites. On 12th July they visited the Royal Spa Centre in Leamington for the award ceremony where the winning book was revealed. The event was attended by three of the authors and the children really enjoyed hearing from them and having the opportunity to get our books autographed. Look out for all four titles in the library from September.

## Garden of Reflection Art Project

The children have been working on an exciting new art project with local artist Jo Murphy for our Garden of reflection. They have been creating art relating to faith symbols and spirituality and we are hoping to have it installed in the garden for when you return in September.

## Warwick In bloom

We are pleased to announce that we received a Gold Award for our entry into Warwick in Bloom. The school grounds and garden areas are looking stunning this year, a special thanks to our new caretaker Mr Clarke for all the hard work he has put in.

## Eco Silver Award

All Saints have been awarded the Eco Silver Award this week. The Eco-Committee are tasked with ensuring that the whole school is aware of the Eco-Schools programme and providing a link between pupils, teachers, governors and the whole school community. By involving the wider community, the Eco-Committee will be helping even more people to get involved in looking after the environment.

## Staffing

Mrs Thomas and Mrs Wragg will be leaving at the end of term. We would like to thank them for their wonderful contribution to our school over the years, they will be sadly missed by staff and pupils. Best wishes to you both from all of us!

## School uniform

A reminder that our uniform is now available online at [www.gooddies.co.uk](http://www.gooddies.co.uk) . This can be delivered to school free of charge or to your own home with a delivery charge. It is also available through Rascals shop on Coten End.

Name labels are also available through [www.stikins.co.uk](http://www.stikins.co.uk) . The school will receive a % of the cost just by using our code (375) when ordering. Cost of labels is £6.50 for 30. This will obviously help with our fund-raising efforts.

## Parking

A reminder to be considerate when parking at the start and end of the school day. Please take particular care not to park across our neighbours' driveways.

## Website

There are lots of other photos of events that have taken place over the past year and information on our website for you to read at your leisure. You will also find information regarding online safety as children are likely to spend more time online over the summer holidays.

## Holiday Clubs

Groundwork West Midlands are running some free urban Explorer outdoor play activities in St Nicholas's Park over the summer holidays Where and when? St. Nicholas Park Banbury Road Warwick on 1st, 8th, 22nd, 29th August 12pm-3pm No need to book - just come and join in! For further information please contact Michelle Brodie on 07795 815522 Please ensure your child is wearing suitable clothing and footwear for outdoor activities All children need to be accompanied by an adult.

## Day of the African Child

Year 6 spent the day at Lillington Primary School along side 500 children whose schools all have a link with Bo. They enjoyed African themed workshops including energetic dancing, djembe drumming and drama. They handed "Send My Friend to School" petitions to MP Matt Western in support of the campaign for global education.

## Tom - BO - La

On Wednesday 19<sup>th</sup> July, at lunch time Friends of Bo Club are organising a toy, book and sweet tombola to raise money for our link school in Bo. They desperately need better security in the head teachers office and we would like to help with this. Please send in donations of new or good quality used toys, books or sweets for our stall with your child early next week. Thank you.
