Friday 12th May 2017

I have been very impressed with the behaviour and attitude in school this week in connection with the Sats tests. Year 6 have put in a fantastic effort and the rest of the school even though they have been in different classrooms to usual and breaks have been at different times they have been very accommodating and sensible about the changes, well done all!

All Saints Church Wailing Wall/ Prayer wall

I am creating a wall of boxes, inside the church at 10.30 am on Tuesday 23rd May.

If any parents are free on that morning and would like to come and help create the wall I would be very happy to see you.

Coffee and tea with biscuits will be available.

Some of the children from school will be visiting the church to see the wall on Thursday 25th June.

We would like to have it up and painted by then.

I look forward to seeing you.

Clubs

There are still places available at Aspire Club on Tuesdays, Art Club on Tuesdays and Drama for Years 5 and 6 on Thursdays. Please ask in the office.

Naming School Jumpers

Now that the children are playing out on the field at lunch time it is especially important to label school jumpers as undoubtedly there are items left on the field when they come back in. It is amazing how many are not named ! Please write your child's name on the label and we can reunite them easily.

Water bottles

Hopefully the weather is now warming up so children should have a refillable water bottle in school with them. Bottles of water are available to purchase for 30p from the office.

Online Payments

If you are still having trouble logging on the www.schoolmoney.co.uk please contact the office.

When putting in your phone number please type +44 then omit the first 0 if you are having difficulties.

New School Lunch Menu

Country Caterers are launching their new menu next week, this has already gone home with the children (see the office if you didn't receive a copy). Their new menu introduces new cast of characters - The Nurigang, who will feature on your menus and promotional posters.

The Nutrigang are a group of 4 friends that have different interests and hobbies but share a passion for food. Collectively, each with their diverse areas of interest, they come together to help spread key messages around food, nutrition, sustainability and provenance as part of the complete food story.

Piano Lessons

Individual tuition available during school hours; beginners a speciality; £7-50 for 30 minutes. Please contact school office for details or contact Suzanne on 07941 988 235.

Khalsa Juniors FC urgently want to hear from budding young goalkeepers at U8 & U10 age groups

In youth football we are very much encouraged to coach young players to try all different positions so that they can find areas of football that they are comfortable with and so that they can get an understanding of the complexities of each position that teammates may be in.

So with that in mind we at Khalsa Juniors FC are looking to encourage a young goalkeeper and help train them to leverage the best of their abilities. We have some excellent FA qualified coaching talent now at the club that can help bring this talent to the fore, so please pass the word to friends, colleagues and family.

Many Thanks

Khalsa Juniors FC(Leamington Spa)
