

SCIENCE 2017 to 2018

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 3	How the Human Body works (Animals-including humans)	How the Human Body works (Animals -including humans)	Rocks	Let's Plant it!	Forces and Magnets	Bright sparks - light
Year 4	Animals including Humans - food chains, etc	Circuits-electricity	Shake it!- States of matter	Sound	Food chains/webs- Living Things and their Habitats	Food chains/webs- Living Things and their Habitats
Year 5	Bake It! (Changing and separating materials)	Bake It! (Changing and separating materials)	Making new materials (properties and change of materials)	Endangered, Exists, Extinct (IPS) - animals	Mission to Mars - Space, planets	Forces
Year 6	Body Pump (the heart, circulatory system and blood)	Body Pump (the heart, circulatory system and blood)	Evolution, adaptation and classification (Out of Africa) and Light	Evolution, adaptation and classification (Out of Africa) and Light	Light/Electricity	Investigation with chemistry as a focus
