Friday 7<sup>th</sup> October 2016

Thank you to all of you who have followed the advice regarding parking and have moved your drop off to other roads, it had made a difference already. Can I also just remind parents that all children should be reading on a regular basis whether this is to you, quietly to themselves or enjoying a book together.

## School Photographs

Jane Stapleton Photographers are in school today for our individual and sibling photographs. These should soon be available to view online using the code provided on your preview cards being sent home with the children today.

## Lollipop Crossing Patrol

Unfortunately after a period of illness our school crossing patrol resigned from her position over the summer. The road has been assessed by the local authority and deemed that it is not necessary for the position to be replaced.

We share your concern about this issue. Please feel free to contact the school crossing patrol supervisor at the local authority, who co-ordinates this, rather than the school.

There will be a road safety assembly for the children next month reminding them of the dangers of the road.

One of the 6 options for the upcoming Police Community Priorities is school parking around the schools in Warwick. You can only vote once in any one 24hr period, but as many times as you like between now and 26th October 2016!

Warwick Community Forum policing priority vote now live. Visit <https://www.warwickshire.police.uk/article/23606/Warwick-Central-Community-Forum-Policing-Priority-Vote---October-2016> to cast your vote.
